

## KC Maths - Terms and Conditions

Last updated: 31 May 2025

Welcome to KC Maths! Please read these Terms and Conditions ("Terms") carefully before using our website, located at <https://kcmaths.online> ("Site"). By accessing or using the Site, you agree to be bound by these Terms.

1. **About KC Maths** KC Maths is a free online mathematics education platform designed to provide quality math resources for learners of all ages across the globe. Users can access lessons, quizzes, and interactive learning materials after creating a free account.
2. **Account Registration** - Users must register for an account to gain full access to all materials and quizzes. - No fees are required to create or maintain an account. - Users are responsible for maintaining the confidentiality of their login details.
3. **Use of Content** - All content provided on KC Maths is for personal, non-commercial educational use only. - Users may not reproduce, distribute, or republish materials without written permission from KC Maths. - Users may share links to the site but not the content in isolation.
4. **Privacy** - We do not sell or share user information with third parties. - Basic account information (such as name and email address) is collected for the purpose of login and progress tracking.
5. **User Conduct** By using KC Maths, you agree: - Not to misuse or interfere with the services or security of the Site. - Not to post or upload offensive, harmful, or inappropriate content. - To comply with all applicable laws and regulations.
6. **Availability and Changes** - KC Maths may update or remove content and features at any time without prior notice. - While we aim for constant accessibility, we do not guarantee uninterrupted or error-free service.

7. Termination of Accounts - Users may delete their account at any time via the "Account" page. - KC Maths reserves the right to suspend or terminate accounts found in violation of these Terms.
8. Disclaimer - All learning materials are provided "as is" for general education purposes. - We do not guarantee specific outcomes, grades, or certifications.

Thank you for using KC Maths. We are committed to making learning accessible, engaging, and fun for everyone!
